SKILLS

- **Languages**: C++, JavaScript, C, Python, Java
- **Frameworks**: HTML and CSS, Bootstrap
- **Tools/Platforms**: MySQL, Mongo DB
- **Soft Skills**: Prioritization , Adaptable, Initiative, Collaboration
- **Academic Coursework**: Data Structures, Operating Systems (Windows, Linux), DBMS

PROJECTS

Smart Recovery System | GitHub Oct 2025 - Nov 2025

- Developed a smart loan recovery system to track borrower data and monitor repayment status for improved recovery efficiency
- Processed and analyzed borrower records using structured CSV datasets to identify overdue payments and potential defaulters Implemented core logic in C++ to manage loan tracking, status updates, and recovery workflows
- Designed a simple web-based dashboard using HTML, CSS, and JavaScript to present borrower insights clearly
- **Tech:** C++,HTML,CSS,JAVASCRIPT,CSV.

Parking Violation Detection using Patrol Notes | GitHub Oct 2025 - Dec 2025

- Developed an NLP-based system to analyze patrol officers' notes and identify parking violations from unstructured text data
- Processed textual data using Python and natural language processing techniques to extract key information such as violation type, location, and timestamps
- Implemented text preprocessing steps including tokenization, cleaning, and feature extraction to improve analysis accuracy
- Applied basic NLP models to classify and interpret violation patterns from free-form notes
- Built a simple pipeline to convert raw patrol notes into structured, actionable insights for enforcement and monitoring
- **Tech:** Python, NLP, Text Processing, Data Analysis

TRAINING

Mastering Data Structures and Algorithms - LPU CPE: | Certificate Jun 2025 - Jul 2025

- Gained hands-on experience in Data Structures and Algorithms with a focus on practical implementation
- Developed a Traffic Light Queue Simulation using custom priority queues and linked lists for lane-wise vehicle control,. Integrated C++ backend with a web interface to visualize simulated traffic operations

Tech: DSA, C++, VS Code

CERTIFICATES

- IELTS PRO | **Udemy** Nov 2025
- Computer Communication | **Coursera** Nov 2024

EDUCATION

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; **CGPA: 7.14** August 2023
- **Sri Chaitanya Junior College** Visakhapatnam, Andhra Pradesh
  Intermediate; **Percentage: 93** April 2021 - March 2023

Universal Public School Visakhapatnam, Andhra Pradesh
Matriculation; **Percentage: 98** April 2020 - March 2021
